**A Little History of Science (Little Histories): Amazon.co ...**  
The First Inkings of Science (From Ancient Times to 600 B.C.) Some of the earliest records from history indicate that 3,000 years before Christ, the ancient Egyptians already had reasonably sophisticated medical practices. Sometime around 2650 B.C., for example, a man named Imhotep(eem' oh tep) was renowned for his knowledge of medicine.

**MODULE #1: A Brief History of Science science**  
A Little History of Science. Science is fantastic. It tells us about the infinite reaches of space, the tiniest living organism, the human body, the history of Earth. People have always been doing science because they have always wanted to make sense of the world and harness its power.
