Turn circle time into learning time with Circle Time Activities. These activities foster social and emotional development and develop basic math, problem solving, language, music, movement, and literacy skills. A Concept and Activity Matrix are included to help educators identify, focus, assess, and enhance specific skills of each student.

### [PDF] Circle Time Activities Grade Preschool Download Full ...

These are one of the most effective math circle times. Have some toys in a bag that link to a song. A good example is Five Little Men in a Flying Saucer with five little alien toys. Put the Little Aliens in the middle of the circle, count them, and then sing the song. After every verse count them, take one away, and see how many there are left.

Circle time can also be used to play math games or explore science. Literacy and phonemic awareness activities can be as simple as a game, a chart, a fingerplay or rhyme, or a song. I break this time up throughout our day, and do a little at a time, so the children do not have to focus for long periods of time.
