Cities Museums And Soft Power

Museum planners Gail Lord and Ngaire Blankenberg demonstrate how museums and cities are using their soft power to address some of the most important issues of our time. Soft power is the exercise of influence through attraction, persuasion, and agenda-setting rather than military or economic coercion. Thirteen of the world's leading museum and cultural experts from six continents explore the many facets of soft power in cities and museums to include: how it amplifies civic discourse ...

originated.

Why Cities, Museums, and Soft Power - American Alliance of ...

The relationship between cities and museums goes both ways. A city wishes to have the best possible museums and if its politicians are savvy and capable, they will use them as soft power tools. Likewise, a museum could wish for the best possible city, and use its soft power to shape the city and its communities to its liking.

Book review: Cities, museums and soft power | The Museum ...

Cities have long understood that place-making and a strong cultural brand is essential to their soft power. Many museums have been planned at the epicentre of ambitious urban development projects with the goal of repositioning their cities on the global scene and improving quality of life.

The soft power of museums - Soft Power

cities, there are museums. The emerg-ing soft power of museums responds to three social realities: competition among cities for talent, tourism and investment; the forces of globalization and informa-tion technology, resulting in new forms of citizenship; and the growing public participation of women. Strong, vibrant cities need equally energized and robust museums.

Cities, MuseuMs and soft Power

Museums were on the periphery of soft power, and I'm going to explain that, but the two factors, one is the intensification of cities and the fact that many, most museums, really overwhelmingly most not all by any means, are located in cities, that's one reason.
