Clash of the Cultures is a great summary of the breadth of Bogle's 60-plus years in the investment field. He offers observations on the shocking change in the culture of finance that he has witnessed first-hand. Among the most important of the shifts is that short-term speculation has crowded out long-term investment.

Clash of Cultures
United States History
Some Americans expressed their discontent with the character of modern life in the 1920s by focusing on family and religion, as an increasingly urban, secular society came into conflict with older rural traditions.

and religious identities will be the primary source of conflict in the post-Cold War world. The American political scientist Samuel P. Huntington argued that future wars would be fought not between countries, but between cultures. It was proposed in a 1992 lecture at the American Enterprise Institute, which was then developed in a 1993 Foreign Affairs article
