EESC 1010 The Science of Our World - Core 3.32 Online Course

Hundreds of foundational concepts are explained through high-impact animations and real-life experimentation. JoVE Core series brings biology to life through over 300 concise and easy-to-understand animated video lessons that explain key concepts in biology, plus more than 150 scientist-in-action videos that show actual research experiments conducted in today's laboratories.

JoVE Core Biology

The list of experiments include the practicals from Biology, Physics and Chemistry and truly based NCERT Lab books. Click on the list to get the details of the experiments for lab manual works. These laboratory manual works are prescribed by the CBSE for Class 9 Science students.

Class 9 Science Lab Manual Work SA-I NCERT

For each experiment the manual explains the goals, materials/equipment needed, background information, and step-by-step procedure. Then it includes charts and questions for recording and analyzing results. The student should be drawing primary instruction from a basic text rather from

the lab manual, so explanations are not lengthy.

MicroChem Kit

While the modularity of the lab manual provides the ability to reorganize the labs, the order that the manual is currently in is not exactly traditional. Typically, information about DNA and isolation must take place before understanding electrophoresis and/or even chromosomes and genetics.
