It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' textbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator – a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

John Dower is one of our most respected historians, having won both the Pulitzer Prize and the National Book Award for his brilliant studies of the war against Japan in World War II. In Cultures of War, he again returns to Japan in WWII, this time to compare the U.S. response to the attack on Pearl Harbor and the war with Japan to the attack of 9/11 on the U.S. and subsequent war against Iraq.

Amazon.com: Cultures of War: Pearl Harbor / Hiroshima / 9 ...

The author compares the post-war occupations as well, stating that "Wishful thinking trumped rational analysis in Tokyo in 1941 and Washington in the run-up to war with Iraq." Exploring "the similar rationales and rhetoric of Japan's war of choice in 1941 and America's in 2003," he looks at the way in which emotion-laden terms like "Pearl ...

Cultures of War: Pearl Harbor / Hiroshima / 9-11 / Iraq ...

Cultures of War distills a lifetime of reflection and scholarship, persuasively connecting aspects of the 'War of Terror' to Pearl Harbor and Hiroshima, the better to illuminate the kind of wishful thinking—regardless of cultural difference—that is characteristic of modern warfare." National Book Award citation

His second significant challenge was, of course, World War II. On December 8, 1941, the day after Pearl Harbor, FDR declared war on Japan. Speaking to the joint session of Congress, he said, "Hostilities exist. There is no blinking at the fact that our people, our territory, and our interests are in grave danger.

After Pearl Harbor Was Attacked In 1941, Roosevelt ...

Pearl Harbor was a tactical success for Japan but a strategic disaster, and many observers blamed Japanese culture for that catastrophic decision, but the US made similar decisions to choose war in Iraq; etc. Ethnocentrism emerges as as both denigration of the other as irrational and weak and ignorance of one's own weaknesses: "they" won't react like "we" will (which is why they'll accept humiliation and learn their place, as both the Japanese and the Americans expected about their ...
