i-VTEC engines are well known for their peaky nature and the Jazz's motor is no less. Using it along with the manual means you are exploiting the full potential of the motor. We achieved a higher top speed of 185 kmph with the manual than the automatic's 172 kmph. Efficiency, as discussed before, is higher too.

Honda Jazz: Manual vs CVT - Oto

The Jazz's manual is a nice shift, with short and precise throws. The clutch feel is light and simple. It's pretty enjoyable rowing through the gears in daily driving. You may also like

The BS6 version of the Honda Jazz will be the next big launch from Honda Cars India. The premium hatchback has been spotted at the dealership stockyard ahead of its India launch, hinting the despatches of the vehicle have officially commenced. The carmaker is already accepting pre-bookings for the car with a token amount of Rs. 21,000 through its authorised dealerships across India.

The Jazz arrives with 'Exciting H', Honda's latest philosophy that embodies 'High Tech', 'High Tension' and 'High Touch'. From the sporty front grille and side sills, to the elegant headlights and rear lights, alloy wheels and sleek aerodynamic lines across both sides of the car, the new Jazz inspires impressions of a modern, sporty, fun and compact car.

Jazz - Honda

The Honda Jazz is an extremely capable small car, with an ace card of virtually unbeatable interior space. While it's hardly an excitement machine, or the best looking or equipped in its class (it is missing out on some useful safety gear), the Jazz deserves its status as a well-loved hatchback. The best in the range is probably the VTi.
