The final GPS for international travel worth considering is the Garmin Nuvi 270. This model comes with a smart park position feature that helps you remember where you've left your car after wandering around a city all day. However, you'd have to take the GPS along with you to use this feature, and it's a bit bigger than the Nuvi 2455.

In fact, the only international map you can buy from Magellan is a map of Europe. Without maps for any other area of the world, Magellan isn't the manufacturer for the world traveler. Magellan devices also don't support any third-party maps, which renders the devices useless outside of the U.S., Canada and Europe.
