Media, gender, and identity : an introduction : Gauntlett ...

Media plays a large role in creating social norms, because various forms of media, including advertisements, television, and film, are present almost everywhere in current culture. Gender roles, as an example, exist solely because society as a whole chooses to accept them, but they are perpetuated by the media.

Gender Roles in Media | HuffPost

Violence, gender-stereotyping, and even increased sexual promiscuity have been cited as ills of modern media outlets. With debates over media's influence often polarized, it becomes difficult to decipher what is the true influence of media. It is often suggested that media has potentially profound effects on the social identity formation of young people.
