Development. Modern English evolved from Early Modern English which was used from the beginning of the Tudor period until the Interregnum and Restoration in England. The works of William Shakespeare and the King James Bible are considered to be in Modern English, or more specifically, are referred to as using Early Modern English or Elizabethan English. By the late 18th century the British ...

Modern English - Wikipedia

Standardization of English "The early part of the modern English period saw the establishment of the standard written language that we know today. Its standardization was due first to the need of the central government for regular procedures by which to conduct its business, to keep its records, and to communicate with the citizens of the land.
