It wasn't long before racing giant John Cooper took notice and in 1961 he made a few adjustments of his own. He had a larger engine built, a better braking system installed and the Classic Mini Cooper 997 was born, and it was ready to take on the racing world. The first Mini Cooper for commercial use also came off the line in 1961.

### Mini Cooper Origins: A Complete History of the Mini Cooper

The Mini Hatch, also known as Mini Cooper, Mini One, or simply the Mini, is a three-door or five door hatchback first introduced in late 2000 by German automotive company BMW. The second generation was launched in 2006 and the third in 2014. A convertible version was introduced in 2004, with the second generation following in 2008. The Mini concept was originally unveiled at the Frankfurt International Motor Show in September 1997, whilst the Mini marque was still a part of the Rover Group, owne
