describe my life. When most people think of psychology they think of therapists and psychological disorders.

### **Psychology Applied to Everyday Life Essay - RuachWords**

Dissociation is any of a wide array of experiences, ranging from a mild emotional detachment from the immediate surroundings, to a more severe disconnection from physical and emotional experiences. The major characteristic of all dissociative phenomena involves a detachment from reality, rather than a loss of reality as in psychosis.. Dissociation is commonly displayed on a continuum.
