„FS 38“. You can find the name of your product on the engine unit. Notes:

Instruction manuals and safety brochures | STIHL | STIHL ...

The nylon string used in a Stihl FS 45 trimmer can wear out quickly if you use it over rough, rocky ground or around hard-edged objects. This line is wrapped around a spool that

Acces PDF Stihl F5 45 C Manual

rests inside the trimmer head. The string is fed out through an attached spring that pushes out a new section when you bump the knob on the ground.
