Teaching and Assessing Intercultural Communicative ...

Multilingual: Title Detail Teaching and Assessing Intercultural Communicative Competence by Michael Byram. This revised edition of Michael Byram's classic 1997 book updates the text in light of both recent research and critiques and commentaries on the 1st edition. The book is an invaluable guide for teachers and curriculum developers, taking them from a definition of Intercultural Communicative Competence through planning for teaching to assessment.

Teaching and Assessing Intercultural Communicative ...

Teaching and Assessing Intercultural Communicative Competence. Michael Byram. Foreign and second language teaching should prepare learners to use a language with fluency and accuracy, and also to speak with people who have different cultural identities, social values and behaviours. This text aims to define precisely what competencies are required, how these can be included in teachers' objectives and methods, and how the ability to communicate across cultural differences can be assessed.
