The Absent Minded Imperialists Empire

But Absent-Minded Imperialists is remarkable because it is accessible cultural history. At a time when the scrutiny of ideas is all the rage, with academic books full of abstract concepts and words ending in `ism', this is both a cutting-edge work and an enjoyable read. Porter's writing is straightforward; his examples are down-to-earth.

Porter's writing is straightforward; his examples are down-to-earth.

The Absent-Minded Imperialists: Empire, Society, and ...

The debate began when Porter's book *The Absent-Minded Imperialists* appeared in print in 2004. The book argued that Empire had very little influence on British popular culture in the nineteenth and twentieth centuries, arguing that this was the only explanation for the absence during a period of rapid imperial expansion. Porter argued that ordinary British people between 1800 and 1940 were largely indifferent to empire:

The Absent-Minded Imperialists: Empire, Society, and ...

There can be no presumption that Britain was an essentially 'imperialist' nation in the 19th and 20th centuries. Of course she was, in the sense of acquiring and ruling an empire; but that empire might not have been as burdensome as it appeared. In any case, 'British society' is a highly questionable concept, which obscures the country's enormous social, political, and cultural ...
