You'll find not only classic works that are now out of copyright, but also new books from authors who have chosen to give away digital editions. There are a few paid-for books though, and there's no way to separate the two

### Unlearning Meditation 1st First Edition

Unlearning Meditation is for the experienced meditator. It is a counterpoint to many mainstream ways of thinking about mindfulness. Below I will cover my thoughts on some of the focus points of the book, not only on Siff's thoughts about meditation, but the approach of the author and the readability of the book.

### Unlearning Meditation: What to Do When the Instructions ...

The meditation practice he presents in Unlearning Meditation is gentle, flexible, permissive, and honest, and it's been wonderfully effective for opening up meditation for people who thought they could never meditate, as well as for injecting a renewed energy for practice into the lives of seasoned practitioners.

### Unlearning Meditation by Jason Siff: 9781590307526 ...

"A creative and illuminating approach to meditation practice."—Joseph Goldstein, author of Insight Meditation "A radically illuminating book for practitioners to newly understand their meditation through loving interest in what is actually going on, beyond any instruction or ideal."—Jack Kornfield, author of The Wise Heart "A wise, practical, and radical book that sheds new and ...
