Amazon.com: Well-Designed: How to Use Empathy to Create ...

From Design Thinking to Design Doing innovators today are told to run loose and think lean in order to fail fast and succeed sooner. But in a world obsessed with the new, where cool added features often trump actual customer needs, it's the consumer who suffers. In our quest to be more agile, we end up creating products that overwhelm. So how does a company like Nest, creator of the mundane ...

A dry well may also be designed with a pre-treatment sump that collects leaf, sediment, and other debris, reducing the risk of clogging the dry well. The sump will have a cleanout ... dry well. If using a material that has a different void space, substitute that value for the 0.40 in the equation below. 3. Calculate the dimensions of the dry well

DESIGN AND CONSTRUCTION OF DRY WELLS IN PENNSYLVANIA

"Well designed", in this case, looks like an adverb adjective combination to me similar to "carefully designed". Or if we say the car was designed well, the "well" is modifying design not the car. Adverbs combined with adjectives before a noun typically do not require a hyphen so why does it in this case?

The Grammar Doctor Is In!: Is This Title Well-Designed?
